### 3. Amount due for each of your children

Parents can refer to the tables on the next pages to identify the amount due for each of their children, depending on the child's position in the family. The tables below assume that both the prepayment fee and Autumn Term fees have already been paid. The total yearly fees columns indicate the tuition fees for each child before the early payment discount (but after the sibling discount). **The last column in each table (highlighted in grey) indicates the amount which is due after the early payment discount.** This is the amount which needs to be paid.

### 3.1. Table 1: First child fees and applicable discounts

The last column shows the amount which should be paid for the first child of the family. The amount excludes the prepayment fee and Autumn term fees already paid and should be made in full by 31 August 2022.
