VALENTINE'S DAY

On Valentine's day, the student council bought carnations and sold them to students. The money will be used for our Forest School.

DONATION

1) In collaboration with Red Cross, we collected warm clothing, food and personal hygiene products for earthquake victims. Also, we visited Red Cross before Easter holidays and helped with the packaging of boxes.

2) We celebrated the International Day of Rare Genetic Diseases by wearing jeans and donating money.

WE MET THE

PRINCIPAL

A PowerPoint was prepared by student council representatives and shown to the Principal. We informed him about our actions throughout the year as student council representatives, and also about our future events.
