

THE JUNIOR AND SENIOR SCHOOL ESTABLISHING THE RENOVATION FUND FOR THE JUNIOR & SENIOR SCHOOL

Introduction

The School's Governors and Leadership Team are committed to ensuring that the School's facilities are appropriately maintained and developed over the years to match the needs of the children. In support of this, the School has established the 'Renovation Fund' for the development of the School's facilities.

Contributions to the Renovation Fund are made by the parents of every new student attending either the Junior or Senior School by way of an optional interest-free loan. This amount is refunded to the parents when the child leaves the School, irrespective of the duration of that child's stay at the School.

Contributions

The Renovation Fund contribution amounts to €600 and is invoiced to the parents in two equal €300 instalments. Invoices will be sent out either for the first or second instalment to eligible students together with the Spring term fee billing run.

Receiving back the contributions

Parents can request to receive back their contribution to the Renovation fund after their child graduates. Please contact the School's Finance department at tjssfinance@tjss.ac.cy for more information.
