

1. Mobile app download and account creation

1. Search KANPLA in either Appstore or Google play.

2. Click sign up here and enter your email address

3. Select Educational

Where will you use Kanpla?
Select the location best suited for your canteen

You don't have a company email?

Login with your Canteen ID

3. Select location and Yr Group. Most important at this next step is to add your child's name NOT your own. Please complete the registration based on one child, then, if you have more than one child at either location, once registered you can add other User/Child in Settings.
