Dear Parents and Guardians,

**Re: Summer School Programme 2026**

We are pleased to announce that our Summer School Programme 2026 will take place from **30 June (Tuesday) to 24 July (Friday)**.

The programme will run across our two sites, each designed to provide an engaging and age-appropriate experience for our students:

- **Junior Site (EY2 – Reception)**

A fun and nurturing play-based programme with creative activities, water play, and themed weeks. Children will explore, learn, and build confidence through engaging hands-on experiences in a safe and caring environment.

**Camp Leader:** Ms Natalie Stavrou

- **Senior Site (Years 1–7 | Ages 7–13)**

An exciting and active programme combining sports, swimming, creative arts, and hands-on activities. Students will build confidence, develop new skills, and enjoy a wide range of experiences in a fun and supportive environment.

**Camp Leader:** Mr Lazaros Palachamides

**Extended days:**

Please note that, following high demand from parents, the extended day service will also be offered at the Senior Site. We kindly ask that you indicate your preference (Junior Site or Senior Site for extended day) in the comments section of the form.

Please find attached two leaflets, one for each site, with key information about the programme.

***Please note that the first week (30 June – 3 July) consists of four days. The weekly fee remains unchanged, and a special event (trip or guest activity) will be included during this week at no additional cost.***
