The Senior School
Parents & Guardians Association

November 2026

Dear Parents and Guardians,

The Senior School Parens' & Guardians Association (SSPGA) is a formally registered association with the relevant government bodies, including the Registrar of Associations & Institutions of the Nicosia District Administration under the Ministry of Interior, and also we are a proud member of the Pancyprian Federation of Parents' Associations of Private Schools, signifying our commitment to collective progress in education.

Our primary mission as the SSPGA is to collaborate with the School to provide vital support in raising funds, which, in turn, are invested in enhancing the overall learning experiences of our children. We also strive to add those meaningful details that turn the school journey into an unforgettable experience for every student. Our initiatives include events like the Welcome Back Concert, Tsiknopempti celebrations, Annual Photos, Graduation party, Awards Evenings, and more. Additionally, we have launched our Donation Tree Initiative, established to support the improvement and development of the school's sporting facilities, including the refurbishment of the school pitch, track and field facilities.

In the pursuit of these objectives, your involvement is essential. We wholeheartedly invite you to join our Association and volunteer your time to help us achieve our collective goals. Joining the SSPGA also provides a unique opportunity to connect with other parents and build new friendships.

To become a member, parents need to fill in the membership form and submit it along with an annual membership fee of a nominal €20 (twenty euros) per family.

The SSPGA Executive Committee is made of nine members.

This Years Executive Committee:

Chair – Charoulla Neocleous
Vice Chair – Gergana Michaela
Treasurer – Diana Petrescu

Secretary – Polina Nicolaou
