The afterschool music lessons program is new to the JS and SS this year, and we are excited to welcome 12 very qualified and talented instrumental teachers who will be working with students one-on-one to learn the piano, violin, flute, oboe, recorder, trumpet, trombone, music theory, classical and electric guitar, ukulele, and drums. Lessons begin the week of September 16th, and those who signed up should have received confirmation of their lesson day/time and the teacher's name and contact info.

There are limited spaces left, but if you are interested, email me (whoplaros@thejuniorschool.com) for more information. It would also help with recruiting for the next term and the coming year if we know if there is an interest for other instruments, so please do let me know!

Many thanks and have a great start to the new school year!
