Dear Parents,

**Establishing the 'Renovation Fund' to support the development of
The Junior and Senior School**

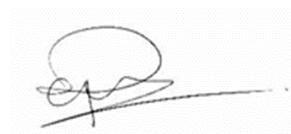

The School's Governors and Leadership Team are committed to ensure that the School's facilities are appropriately maintained and developed over the years to match the needs of the children. We wish to be pro-active in planning to ensure this happens and to support this we have established the 'Renovation Fund' for the development of the School's facilities.

Contributions to the Renovation Fund are made by the parents of every pupil attending either the Junior or Senior School by way of an optional interest – free loan. This contribution is then repaid when the child leaves the School, irrespective of the duration of that child's stay at the School.

The Renovation Fund contribution amounts to €600, with this being paid in two equal €300 instalments. The School's Finance Office will notify parents of the timing required for each payment.

Please note, this interest-free-loan represents a voluntary way for parents to support the development of the School. Do not hesitate to contact us regarding this matter should you wish to do so.

Yours sincerely,

Paulo Duran
Principal of The Junior & Senior School

Educating since 1944
